

ENC. 1998.002.013

Annual Report

of the

Northport Village Corporation

For the Year Ended December 31

1928

President's Report

The Board of Overseers has voted to purchase the wharf and land owned by the Eastern Steamship Company, known as the Northport Wharf, thus insuring the permanency of the privileges enjoyed by the use of this property.

Attention is again called to the fact that fire extinguishers are maintained at several points in the thickly settled districts.

The Village finances are in good order,—all permanent improvements and expenses for the current year having been paid out of cash on hand and cash items as shown by the Treasurer's report.

Respectfully submitted,

RALPH L. FLANDERS, President.
