Public Hearing

Absent: David Crofoot, Casey Brown

Public Hearing on extended Moratorium convened at 10:32 a.m.

The Trustees led a discussion on the rationale for continuing the moratorium for an additional six months. The proposed moratorium would prohibit permits to be processed or approved for new connections to the sewer system. This provides time for the Village to study increased load on the sewer system and analyze the effects of new operating protocols. This expanded Moratorium runs from April 29, 2023 to October 29, 2023.

The Public Hearing adjourned at 2:49 a.m.
